

The Lake County Department of Environmental Utilities is requesting a price quote for the purchase of a landfill gas blower assembly. The requested price quote is for the purchase and delivery of one complete system meeting the minimum requirements stated in the attached specifications. The Manufacturer shall provide an additional quote for an alternative system configuration. This configuration consists of eliminating the condensate moisture separator's pumping system (see specifications) with a gravity drain to a County supplied condensate sump. The condensate sump will be under vacuum control and will be located approximately 15 feet from the blower assembly. Note that this price quote is for a blower assembly only and does not include a flare and associated accessories.

Manufacturer requirements, quality assurance, submittals and other responsibilities are listed in the attached documents. The quoted price must include all costs for the material and delivery to the Lake County Central Landfill at 13130 County Landfill Road, Tavares, Florida 32778.

Please provide a written price proposal on company letterhead presenting the quoted price for system and a statement that the quoted material meets or exceeds the minimum specified requirements and exceptions to the specifications taken, if any.

Price quotes are due no later than 3:00 PM local time, June 9, 2010 and may be submitted by mail, fax or email to:

Gary Debo, Director of Solid Waste Operations
Lake County Department of Environmental Utilities
P. O. Box 7800
13130 County Landfill Road
Tavares, FL 32778
Office: (352) 343-3776
Fax: 352.253.1690
gdebo@lakecountyfl.gov

If you have any questions you may contact Mr. Debo in writing. All official responses to proposed questions will be in writing by the County and will be distributed to all vendors.
